Dear Volunteer Applicant,

Thank you for your interest in the Volunteer Services offered at our Bluffton Medical Campus, Bluffton-Oktie Outpatient Center, Coastal Carolina Hospital and Hilton Head Hospital. It’s my hope that we find a good “fit,” for you, as well as for the patients and guests you will serve.

Before beginning as a volunteer, you are asked to:

a) Complete & return the attached application
b) Meet with me for an interview
c) Complete a health screening (includes TB test, other testing as required)
d) Undergo a criminal background check
e) Attend a volunteer orientation session (see below)
f) Participate in training for the department in which you’ll volunteer

Volunteer Orientation provides information to help you understand the nature of volunteer service in the health care setting. This session is completed prior to beginning as a volunteer.

Orientation is offered monthly (8:30am-2:30pm) and includes a review of policies and practices, a tour of our facility, wheelchair transport training, safety, infection prevention and customer relations.

2015 Orientation dates: Jun 17, Aug 3, Sep 11, Sep 21 (CCH), Oct 13, Nov 12, Nov 17 (CCH), Dec 7

Training for the department(s) in which you serve is provided by an experienced volunteer in that department, and is handled on an individually scheduled basis.

After reviewing the enclosed materials and considering areas of interest, please return your completed application to me (note address, above). I will then contact you to discuss the application and possibly set an interview date. I look forward to having you join our team of caring volunteers who make our hospitals very special places!

Sincerely yours,

Jody J. MacLeod, CDVS

Addendum to Volunteer Application

Hilton Head Regional Healthcare is committed to providing our guests with the level of service they expect and deserve. As a volunteer, you are to practice the service standards listed below and in the TEAM Handbook (provided at orientation).

1. Demonstrate courteous, polite, friendly and cooperative behavior toward others.

2. Recognize guests immediately, introduce yourself and give the person your full attention. If occupied, acknowledge those entering the department and tell them you will be with them as soon as possible.

3. Answer the telephone with the department name, your name, and state that you are a volunteer.

4. Personally escort our guests to their destination whenever possible.

5. Exhibit good communication and listening skills.

6. Maintain good relationships within your own and other departments. Display initiative and offer assistance.

7. Maintain appropriate and professional relationships with physicians. Do not solicit medical advice and/or prescriptions from staff physicians.

8. Do not discuss confidential information except on a “need to know” basis.

9. Take an active role in problem solving. Actively assist with the achievement of hospital and departmental goals.

10. Think and act responsibly, logically and appropriately in both normal and stressful situations.

11. Demonstrate the ability to work with co-workers, setting aside personal differences to support the team.

12. Respond positively to constructive suggestions.

13. Do not discriminate against patients, visitors, co-workers or members of the hospital staff on the basis of race, religion, color, national origin, disability or age.

By signing below, I acknowledge that as a condition of volunteering, I will uphold these standards. I understand that if I do not uphold the standards, I will be subject to corrective action, up to and including termination.

Applicant Name (Please Print Clearly)           Date
**A Note to Prospective Volunteers**

Before beginning your volunteer service, a **health assessment** (health history, TB skin test, additional tests as required) is performed by our Employee Health staff.

There is no charge for this health assessment. It is repeated annually, as long as you volunteer with our hospital.

There are two Employee Health sites you may choose to visit:

- **Hilton Head Hospital:** (843) 682-7345  
  Mon – Fri 7:00am - 3:30pm

- **Coastal Carolina Hospital:** (843) 784-8218  
  Tue, Thur & Fri 7:30am - 4:00pm

**For first-time volunteers, the Tuberculosis test is given in two parts**, a requirement of SC DHEC (Dept of Health and Environmental Control):

1. Receive **Skin Test #1**. Return 2-3 days later, to have test “read” for positive or negative reaction.
2. Wait 1 - 3 weeks following the reading of Test #1
3. Receive **Skin Test #2**. Return 2-3 days later, as you did the first time.

TB tests are repeated in the autumn season each year (provided at the time of flu vaccination) and are just “one-part.”

[Note: volunteers living near Sun City may have the “reading” done at the Primary Care office at our Bluffton-Okatie Outpatient Center; the TB test/s must be placed at one of the hospitals.]

**NOTES:**

Persons who test positive for TB: Employee Health will review symptoms with you and, if needed, arrange for you to receive a chest x-ray (no charge).

Persons who have TB tests done elsewhere: Employee Health will discuss your status relative to the SC law; in some cases, that may suffice, or at least count as Test #1.

Persons who are absent from our program for one year or longer will be asked to begin anew with their TB test and health assessment.
